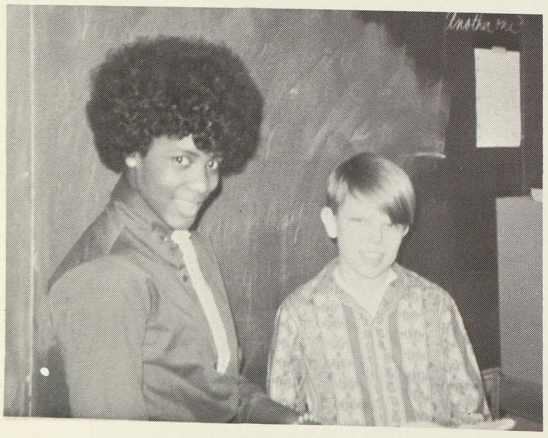
The North Intermediate Journalism class is proud to present the 1971 Northern Light. Much hard work went into this production and I believe it was a job well done. Along with working on the yearbook, the staff published the newspaper every other week, the P. T. A. newsletter once a month, and other publications throughout the year. I hope the class enjoyed the year as much as I have.

Mrs. C. Staehle



Jackie McFarland, editor of the P. T. A. newsletter and Tom Stricker, sports editor.

Editors for the newspaper, Shirley Oblander and Cheryl Robinson.

# PROUDLY WE DEDICATE

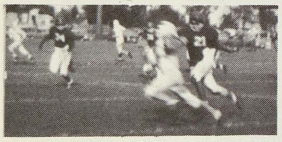
the 1971 yearbook to Benhamin Donaghy.

He attended North as a student and participated in all atheletics.

He began teaching at North in 1950, but was called to the service.

He returned in 1955 and has since devoted his time to teaching metal and print shops, math, science, and has coached football, basketball, baseball, and track.

# THE YEAR IS NINETEEN HUNDRED & SEVENTY-ONE



THE 1970-71 SCHOOL YEAR BEGAN WITH A GREAT FOOTBALL SEASON THAT THE TEAM AND STUDENT BODY MADE POSSIBLE BY THE HARD WORK AND TEAM SPIRIT. THEN THE FABULOUS GIRLS TRIED THEIR HAND IN THE FUN AND GAMES FOR SOME MORE GREAT ACTION. IT WAS QUITE A SIGHT WHEN BOTH TEAMS GOT TOGETHER TO PLAY VOLLEYBALL.

FACULTY

# ADMINISTRATION

Mr. Gibbs

As you read your annual and study the pictures that have been chosen to represent your experiences during the past school year, it is our hope that the memories these pages help to recall will be of the successes and good times that we have shared.

As you prepare to leave North School you do so with a better knowledge of your strengths and with a series of successful experiences behind you that will help you become a happy, contributing member of American society.

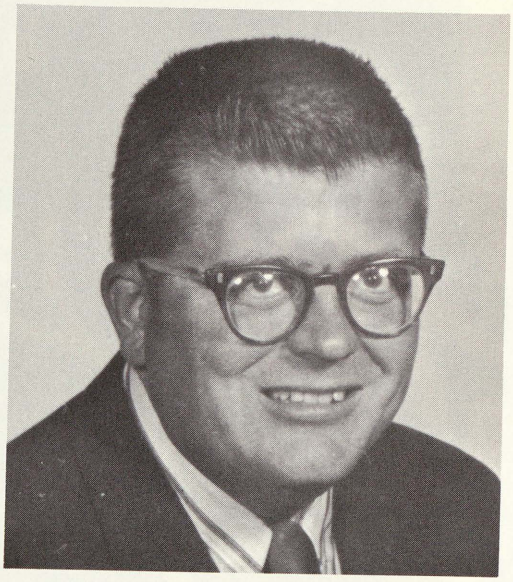
You came here to learn. Go forth to serve.

Foster B. Gibbs
Principal

Your education, your school, your friends and your recollection of good times at North School will become more valuable with time. Your parents and teachers have done their best to see that you receive, and continue to receive, the best possible education. I have enjoyed being part of this valuable experience.

Your application of skills and values learned here at North School will assist you the rest of your life. Best wishes to all and a warmhearted farewell to our departing 9th graders.

Herbert E. Gerber
Assistant Principal



Mr. Gerber

Mrs. Anderson

Who determines what or how much you learn in School? Your teachers plan lessons and present them or attempt to involve you in them. But only you are responsible for the learning processes----listening, thinking, assimilating, comparing, and generalizing. You can decide to concentrate on the topic under discussion or you can dismiss it as unimportant. In this space age, it is difficult to know what subjects will help us most in the future. Your faculty tries to plan a relevant curriculum for you. We hope you will strive to develop the maturity necessary to make the most of each area studied so that your "bank Account" is adequate when you face adult responsibilities.

THIS IS WHAT A TYPICAL NORTHITE'S DAY IS LIKE. STUDENTS BEGIN THEIR DAY WITH THE SEEMINGLY SLOW HOMEROOM PERIOD, THAT BEGINS THEIR DAILY ROUTINE. AFTER THEY SURVIVE THE MORNING'S CLASSES, THEY PARTICIPATE IN VARIOUS NOON HOUR ACTIVITIES, LIKE EATING, BASKETBALL, VOLLEYBALL, AND HOMEWORK. THEY GO ON TO THE AFTERNOON CLASSES AND BY THE END OF THE DAY ARE TIRED.
